READING AND VIEWING 1

Stage One EN1-4A

draws on an increasing range of skills and strategies to fluently read, view and comprehend a range of texts on less familiar topics in different media and technologies

Key concept:
Fractured Fairytales

Develop and apply contextual knowledge	
* understand how readers' self-selection and enjoyment of texts is informed by personal interests	
* discuss different texts on a similar topic, identifying similarities and differences between the texts (ACELY1665)	
Understand and apply knowledge of language forms and features	
* recognise grammatical patterns to enhance comprehension, eg action verbs, words or groups of words that tell who, what, when, where and how	
* recognise a clause as a complete message or thought expressed in words, noun-pronoun agreement, conjunctions	
* understand that nouns represent people, places, things and ideas and can be, for example, common, proper, concrete or abstract, and that noun groups/phrases can be expanded using articles and adjectives (ACELA1468)	
* understand patterns of repetition and contrast in simple texts (ACELA1448) ⚙️	
* identify the parts of a simple sentence that represent 'What's happening?', 'Who or what is involved?' and the surrounding circumstances (ACELA1451)	
* understand how sentence punctuation is used to enhance meaning and fluency	
* identify word families and word origins to understand the meaning of unfamiliar words, eg base words, rhyming words and synonyms	
Develop and apply graphological, phonological, syntactic and semantic knowledge	
* recognise sound-letter matches including common vowel and consonant digraphs and consonant blends (ACELA1458)	
* understand the variability of sound-letter matches (ACELA1459)	
* recognise most sound-letter matches including silent letters, vowel/consonant digraphs and many less common sound-letter combinations (ACELA1474)	
* automatically recognise irregular high-frequency words, eg 'come' and 'are'	
* use phonological, graphological, syntactic and semantic cues to decode and make meaning from written texts, eg using an increasing repertoire of high-frequency and sight words, segmenting words into syllables	
* manipulate sounds in spoken words including phoneme deletion and substitution (ACELA1457)	
Respond to, read and view texts	
* read supportive texts using developing phrasing, fluency, contextual, semantic, grammatical and phonic knowledge and emerging text processing strategies, for example prediction, monitoring meaning and rereading (ACELY1659)	
* self-correct when meaning is interrupted in simple texts, eg pausing, repeating words and phrases, rereading and reading on	
* read less predictable texts with phrasing and fluency by combining contextual, semantic, grammatical and phonic knowledge using text processing strategies, for example monitoring meaning, predicting, rereading and self-correcting (ACELY1669)	
* read with fluency and expression, responding to punctuation and attending to volume, pace, intonation and pitch	
* use comprehension strategies to build literal and inferred meaning and begin to analyse texts by drawing on growing knowledge of context, language and visual features and print and multimodal text structures (ACELY1660, ACELY1670)	
* use background knowledge of a topic to make inferences about the ideas in a text	
* predict author intent, series of events and possible endings in an imaginative, informative and persuasive text	
* discuss the use of text connectives, eg sequencing ideas, indicating time	
* identify the cohesive links between pronouns and people and things	
* sequence a summary of events and identify key facts or key arguments in imaginative, informative and persuasive texts	
* identify visual representations of characters' actions, reactions, speech and thought processes in narratives, and consider how these images add to or contradict or multiply the meaning of accompanying words (ACELA1469)	
* compare opinions about characters, events and settings in and between texts (ACELT1589)	
* distinguish between fact and opinion in persuasive texts

Stage One EN1-8B recognises that there are different kinds of texts when reading and viewing and shows an awareness of purpose, audience and subject matter

Key concept:
Fractured Fairytales

Develop and apply contextual knowledge	
*recognise a range of purposes and audiences for imaginative, informative and persuasive print and visual texts	
*identify how imaginative, informative and persuasive texts can vary in purpose, structure and topic	
*understand that texts can draw on readers' or viewers' knowledge of texts to make meaning and enhance enjoyment, eg comparing fairytales	
*discuss possible author intent and intended audience of a range of texts	
Understand and apply knowledge of language forms and features	
*understand concepts about print and screen, including how different types of texts are organised using page numbering, tables of content, headings and titles, navigation buttons, bars and links (ACELA1450)	
*understand how text structure contributes to the meaning of texts
